Re. H.B. No. 5262

Dear Sir and Madam:

We are writing in support of Absentee Ballot voting. We are seniors who have used the absentee ballot option in the last two election cycles to protect our health. With the future of Covid unforeseeable at this time, we urge the CT Legislature to extend AB voting through November 8, 2022 to allow CT voters to vote safely during any resurgence of the Covid pandemic. The voters of Connecticut should be able to exercise their right to vote without fear of illness to themselves or family members.

Thank you for your support.
